

A Great Spring Show to Jump Start Your Year

The Chelsea Fine Art & Craft Fair is a curated arts and craft event that features up to eighty artisans in two buildings.

The event is held at the Chelsea Fairgrounds. Chelsea is a prosperous suburb of Ann Arbor that leans towards the traditional in taste and buying.

Integrity Shows has been coordinating art events in Chelsea since 1999. This is the second year that the show has been in this location with an emphasis on top quality work. Our audience was pleased with the new focus and showed their approval through strong buying.

Integrity Shows uses a three year jury system. Artists in good standing are

automatically accepted for the next two years as long as they apply by deadline. We believe that artists should have the ability to plan their schedules.

The event runs concurrently with the Chelsea Live Green Home Show and Green Vehicle Showcase encouraging a higher attendance of those with the means to purchase art. We advertise the events in print, on the radio and with cable television spots.

No backdrops or booth separators are provided so please bring your own.

Set-up: Friday 12-7

Event hours: Saturday 10-8, Sunday 12-5
